Nordic Quality Composite Decking

Green Plank's Entra is one of our premium quality composite decking with tongue-and-groove system which is simple to use with great results. It provides a visually closed terrace surface that still doesn't allow weeds to grow up or details to fall down through the floor. Entra composite board capture the warmth and beauty of natural and exotic hardwoods.

ENGINEERED TO LAST BEAUTIFULLY

A high-performance composite deck board with unparalleled beauty, and unique interlocking tongue-and-groove connection offers a timeless look that ensures your home makes a great first impression every time.

BAREFOOT FRIENDLY SURFACE

With tongue-and-groove technology and an invisible installation clip, our ENTRA boards provides a fastener-free surface allowing year-round comfort for your bare feet and your pet's paws. Invisible clip ensures even joint spacing to accommodate drainage of surface water.

GREEN PLANK, A VALUES DRIVEN COMPANY

Green Plank was established by two brothers back in 2004. Today, Green Plank has earned a leading position in the composite world. We are an international company, but, at heart, we are still a family company with family values and a deep respect for our environment for the sake of our children and our future.
